1. Bilaxy Exchange

Bilaxy exchange is a rapidly growing multi-crypto exchange focusing on liquidity for new tokens and facing to global crypto traders. Since Bilaxy exchange was registered in the Republic of Seychelles and launched in Early 2018, Bilaxy exchange has been running smoothly for one year, accumulated hundreds of thousands of traders from more than 80 Countries all over the world. With premierly supporting 150+ Crypto trading, Bilaxy aims to establish a leading global trading platform that provides a broad range of trading products and services for global traders with its relentless focus on transparency, reliability and quality execution and client services.

System Security

Security is always Bilaxy priority. Bilaxy has adopted advanced technologies such as distributed server clusters, distributed storage to ensure system security. Equipped with multi-level firewall and advanced distributed architecture, strict monitoring procedures, Bilaxy aims to provide the most secure platform services for global traders.

Efficient Customer services

Dedicated to resolve customers' needs without any delay, Bilaxy offers 7*24 customer services through multi-channels, including webpage, email, telegram, etc.

Invitation rewards

Registration invite links will be distributed to all the Bilaxy users. Users will be able to enjoy the direct and indirect promotion bonus by inviting new users to register. This reward portion will be adjusted according to the platform operations. Invitation rewards will increase the register and visit numbers and the liquidity of exchanges.

Finacial Security

Wallets in the platform has adopted multiple security levels of storage solution in line with the storage scale. Hot wallets only hold small amount for daily withdrawal, more than 95% of our users assets are kept in secure cold storage to ensure asset security.

Multilingual Support

We are supporting English, Chinese on all of our user interfaces. More languages will be added gradually.

2. Bilaxy Revenue Model

As an international multi-crypto exchange, there are multiple channels to make revenue:

Source	Description
Trading fee	Users need to pay trading fee for each trading, the current rate is 0.15%. Adjustment and optimization may be made sequentially according to operational needs.
Withdrawal fee	Users need to pay withdrawal fee for withdrawal. The charging amount differs according to the exact token/coin.
Listing fee	Bilaxy will select innovative coins/tokens to be listed on the exchange, there may be a fee associated with those listings.
Other Fees	Other innovative service fee may apply.

3. Bilaxy Token(BIA) Issuance Details

Bilaxy Token(BIA) issued by Bilaxy exchange, will run natively on the Ethereum blockchain with standard ERC 20 token, maintains a total issuance volume of 2 billion, never to be increased. After buy-back and destroy, it will be a constant amount 1 billion.

After 4 year	20%	140M

Bilaxy Token(BIA) Value

- **Trading fee discount:**

When you use BIA to pay for trading fees, you will receive a significant discount as below:

	1st year	2nd year	3rd year	4th year	5th year and afterward
Discount rate	50%	25%	12.5%	6.75%	No discount

*** During the first month of BIA listing, 80% of trading fee will be deducted if user enable "Use BIA to pay for trading fee".**

- **The Burn**

Every quarter, Bilaxy will use 20% of seasonal net profit buyback BIA to destroy until 50% of all the BIA destroyed(Buyback and destroy will start from the 2nd quarter after BIA listing). The destroy record shall be released to the public at the first time, so that users can review via blockchain explorer, to ensure the open and transparent nature of the whole process. Eventually 1 Billion BIA will be destroyed and leaving 1 Billion BIA remaining.

- **FUTURE DECENTRALIZED EXCHANGE SYSTEM GAS**

In the future, Bilaxy will plan to build a decentralized exchange, where BIA will be used as one of the key base assets as well as gas to be spent.

- **Privilege for new applications**

BIA token holders can have the privilege to use our other new applications at the earliest time without paying any fees.

- **Voting Rights**

Vote for your favorite project proposed to Bilaxy and get it listed on Bilaxy exchange.

- **Trade against popular coins**

Bilaxy will support BIA/USDT、BIA/BTC 、BIA/ETH trading pairs;

- **More to Come**

4. Risk Warning & Disclaimer

4.1 Risk warning:

Although the Bilaxy team will fulfill its duties, commitments, credit diligence and conscientious management, the project will also exist below risks during the operation:

- Policy risk
- Economic period risk
- Internet hacker risk
- Management risk
- Liquidity risk
- Price fluctuation risk
- Other risks

4.2 Competition Warning:

We know that our exchange is a highly competitive area. There are thousands of teams planning and proceeding to develop trading platforms. The competition will be cruel, but in this era, every good concept, start-ups, or even mature companies will face the risk of such competition. But for us, this competition is the driving force for our development.
